“MARCH”
The graphic novel trilogy by U.S. Congressman and civil rights icon
John Lewis
Booklist webinar
July 30, 2013
Andrew Aydin (co-writer) & Nate Powell (artist) with Leigh Walton (marketing, Top Shelf)
We are tired. We are tired of being beat by policemen. We are tired of seeing our people locked up in jail over and over again. And then you holler “Be patient.” How long can we be patient? We want our freedom and we want it now.

We do not want to go to jail, but we will go to jail if this is the price we must pay for love, brotherhood, and true peace.

I appeal to all of you to get into this great revolution that is sweeping this nation. Get in, and stay in, the streets of every city, every village and hamlet of this nation, until true freedom comes.

Critical response

“Congressman John Lewis has been a resounding moral voice in the quest for equality for more than 50 years, and I’m so pleased that he is sharing his memories of the Civil Rights Movement with America’s young leaders.

“In March, he brings a whole new generation with him across the Edmund Pettus Bridge, from a past of clenched fists into a future of outstretched hands.”

— President Bill Clinton

Critical response

“Dazzling . . . a grand work.” — Booklist (starred review)

“Superbly told history.” — Publishers Weekly (starred review)

“Lewis’s remarkable life has been skillfully translated into graphics . . . Segregation’s insult to personhood comes across here with a visual, visceral punch. This version of Lewis’s life story belongs in libraries to teach readers about the heroes of America.” — Library Journal (starred review)

“A powerful tale of courage and principle igniting sweeping social change, told by a strong-minded, uniquely qualified eyewitness . . . the heroism of those who sat and marched . . . comes through with vivid, inspiring clarity.” — Kirkus Reviews (starred review)
